The Torrey Hills Maintenance Assessment District (District) was established in 1996 to provide maintenance for landscaped and paved medians, landscaped rights-of-way, paved rights-of-way, landscaped slopes, natural open space areas, and street gutters. The Torrey Hills Maintenance Assessment District was formerly known as Sorrento Hills Maintenance Assessment District, but the District name was changed as a result of prior City Council action that changed the community planning area name. At build-out, the District will maintain 155,000 sq.ft. of landscaped medians, 81,500 sq.ft. of paved medians, 7.07 acres of landscaped right-of-way, 8.42 acres of paved rights-of-way, 97.58 acres of landscaped slope, 31.57 acres of natural open space and 38,750 linear feet of gutters.

The Fiscal Year 2004 Proposed Budget is based on estimated costs to maintain improvements which will be turned over to the District from the owners/developers during Fiscal Year 2004. More improvements will be turned over to the District to maintain in future years. The Torrey Hills Maintenance Assessment District Subcommittee of the Torrey Hills Community Planning Board approved the budget on April 8, 2003.
